

Dear Sirs,

I have heard the clips of the Ophra show where she talked about the slang terms for sexual acts. This was not acceptable television at 4pm in the afternoon. A show like that you expect to be at a certain standard. For it to have dragged its self down to shock their ratings, or any other reason is again not acceptable. I'm sure I am not the only person to complain about this. Please responde to my letter so that I an American know that the FCC is not biased and treats ALL attacks on indecency the same. Judging the act not the politic of the one committing the act. Please restore my faith in our Government.
